THE LOOK YOU DESIRE.

## William L. Saber, MD, FACS

When it's time to choose a plastic surgeon, you need more than just someone who does the procedure you want. You want a caring, board-certified physician who dedicates himself to making you feel comfortable and listen to your desires and help shape them into a beautiful new you.

Dr. William L. Saber offers proven, effective cosmetic surgery techniques, many with smaller scars and faster recovery.

- Breast Augmentation
- Breast Reduction
- Breast Lift
- Breast Reconstruction

**Breast Augmentation** — For a beautiful, balanced, more symmetrical figure, Dr. Saber offers you better choices. He personalizes your procedure to suit your specific needs by consulting with you and thoughtfully planning your treatment.

**Body Contouring** — Eliminate unsightly bulges from exercise-resistant areas, for good. Tumescant liposuction helps ensure safety and excellent results for the abdomen, flanks or "love handles", thighs, arms, hips and neck. It's never too late to get the body you've dreamed about.

**Rejuvenation** — A simple injection can give you a more rested, youthful look. Dr. Saber performs these procedures personally, so you can be assured of a safe, easy alternative to those frown lines, crow's feet, forehead lines, deep folds and depressions.

**Facial Lifts** — Dr. Saber's training and experience give him the skills to bring youth back to your face with eyelid lifts, brow lifts and mid-face lifts.

We also offer:

- Nose Reshaping
- Face and Neck Lifts & Mini-Lifts
- Botox®, Restylane®, Sculptra® Radiesse®, Juvederm®, Perlane®, Dysport and Latisse®
- Forehead and Brow Lifts
- Chin Augmentation
- Ear Reshaping
- Tummy Tucks
- Flank Tucks
- Structural Fat Grafting
- Revisional Plastic Surgery
- Post Weight-Loss Contouring

Call now to schedule your consultation and take the next step toward making your dreams a reality. Dr. Saber will discuss your options and determine which procedure is right for you. Dr. Saber will answer your questions and explain everything step by step to ensure that you're making an educated decision. **303-403-7350**
